the Greek, but after learning there was a bar with the same name two blocks away, they named it "**Zara**".

Let's move on the next section.

## POV Story

(Improve your Grammar)

Now you'll practice with the point of view story. This kind of story will help you to improve your English **grammar**. It's very simple. I tell you the same story more than once. Every time I change a grammatical aspect. So, you can see how grammar changes and you can compare. You just have to listen.

OK! Let's start!

*I'll start telling the story from Miya's point of view.*

I'm Miya, and I'm 35 years old. I'm a Japanese woman and I'm very excited because I just won the lottery! I decided to travel the world in search of adventure and, like any other woman, I want to renovate my wardrobe.

I want to fly to Europe right now! I just bought a ticket! After I visit the most emblematic places of Paris, I intend to hire a personal shopper to help me to buy clothes and accessories from legendary French designers: Christian Dior, Louis Vuitton, and Chanel.

And I love Italian brands: Armani, Gucci, and Prada, so I'm eager to discover Rome, and above all, I wanna shop at the best stores in the city.

I also need to visit Berlin. I'm fascinated by the history and beauty of the German capital. In Berlin, I feel like wearing comfortable clothes, so I intend to purchase clothes mostly from sports brands like Adidas, Puma, or Reebok.

I was told that my favorite jewelry brand, Pandora, is from Copenhagen. So, I don't want to miss out on the opportunity to visit Denmark.

And before leaving Europe, I hope to spend some time in Spain. I want to enjoy for some weeks the fantastic weather and the delicious food. Plus, I could get plenty of clothes and accessories from the Zara stores.

Lastly, I want to travel to New York where I can find all the brands in the world. I intend to enjoy the city for a few weeks and buy clothes, makeup, fragrances and much more. Calvin

Klein, Levi's, Nike, Ralph Lauren, Tommy Hilfiger and Victoria's Secret are some of my favorite American brands.

I do hope not to get too excited during my travel and spend all my money. Otherwise, I'll need to start selling some of the expensive jewelry and clothes on eBay.

But wait!!! Oh, no!! I'm afraid that I won't get to travel anywhere anymore!

It turns out that I didn't read the lottery number correctly!! Now I'm only relieved that I didn't tell anyone about my crazy plan!

Oh!! I must cancel the trip to Paris!

*Now I'll tell you the story from a different point of view  
(Third Person Past Tense)*

Miya was a 35-year-old Japanese woman who was very excited because she had just won the lottery. She decided to travel the world in search of adventure and, like any other woman, she wanted to renovate her wardrobe.

She wanted to travel to Europe right away. In fact, she had just bought a ticket! After visiting the most emblematic places of Paris, she hired a personal shopper to help her to buy the clothes and accessories from legendary French designers: Christian Dior, Louis Vuitton, and Chanel.

And she loved Italian brands: Armani, Gucci, and Prada. She was eager to discover Rome, and above all, she wanted to shop at the best stores in the city.

She also needed to visit Berlin. She was fascinated by the history and beauty of the German capital. In Berlin, she intended wearing comfortable clothes, so she purchased clothes mostly from sports brands like Adidas, Puma, and Reebok.

She was told that her favorite jewelry brand, Pandora, was from Copenhagen. So, Miya didn't want to miss out on the opportunity to visit Denmark.

And before leaving Europe, she also wanted to spend some time in Spain. She enjoyed the fantastic weather and the delicious food for some weeks and got plenty of clothes and accessories from the Zara stores.

Her last destination was New York where she found all the brands in the world. She intended to enjoy the city for a few weeks and buy clothes, makeup, fragrances and much more. Calvin Klein, Levi's, Nike, Ralph Lauren, Tommy Hilfiger and Victoria's Secret were some of her favorite American brands.

Miya was afraid to get so excited during her trip that she would spend all her money. In that case, she would have tried to sell some of the expensive jewelry and clothing on eBay.

But unfortunately, she didn't get to travel anywhere anymore! It turns out that Miya didn't read the lottery number correctly!! She was only relieved that she didn't tell anyone about her crazy plan! And suddenly remembered that she had to cancel the trip to Paris!

This is the end of this story. I hope you enjoyed it.

Now imagine a whole story told this way. It's incredible how much you can learn with this method. Instead of having to memorize boring grammar rules you can use this method to learn grammar. It's more enjoyable but also more effective.
