Hi, everybody! I am Georgiana, your English teacher and founder of [SpeakEnglishPodcast.com](https://speakenglishpodcast.com). My mission is to help you speak English fluently.

Today, I'm going to show you how you can improve your English-speaking skills during summer. Later, we're going to practice listening and speaking with a funny mini-story.

Let's get started!

Summer is here, and it seems like everyone has planned their holidays already.

But how about you?
Have you thought about improving your English during the summer holidays?

If you still don't have a plan. Don't worry. I have some ideas.

In fact, it's really simple. All you need this summer is your cell phone to listen to my **Speak English Now Podcast** or my [English premium courses](#).

Now I'd like to suggest some places you could spend your summer holiday, especially if you're on a tiny budget.

Find an **air-conditioned coffee shop** in your neighborhood.
Enjoy your drink while you listen to your favorite English show.

Go to the mall or fast food restaurants

It's the perfect environment where you can listen to some English lessons. Perhaps you won't be 100% focused on what you're listening to, though, you'll still be learning a lot.

I'm telling you this because I enjoy going to the local mall, especially in summer and winter. It's usually quiet; there's free AC. (air conditioning) and I often carry around my laptop. Spending time away from my desk helps me to concentrate better.

But it's not all about drinking coffee and shopping. Just like me, you might consider going to the **gym** more often! Where I live, it's almost impossible to enjoy any outdoor activities in summer. Also, when you're at the gym, try listening to your favorite English lessons. You'll love it!

Ok, last but not least: You need to relax! Go to the beach! Not only to get a nice tan but also to take your English to the next level.

If you're going to the beach this summer, don't forget your cell phone! Relax; enjoy the breeze and listen to the Speak English Now podcast. Plus, who knows, we might bump into each other. Don't forget to wave!

No matter what you're planning to do this summer, enjoy English!

Now, you'll practice your speaking skills with a funny mini-story.

Let's get started!

MINI-STORY

(Practice your speaking)

A mini-story is very simple. I ask simple questions all the time. Just make sure you give a short and easy answer. It's the perfect way to automate your spoken English.
