

## How to Follow This Plan

- ✔ For best results, try to listen for about **one hour** each **day**. You can listen to the **entire chapter** twice a day—or even three times a day (morning, afternoon, and evening).  
*Note: Chapters 1 and 2 take a total of four weeks to complete.*
- ✔ Or, if you're busy, just **choose a few parts to listen to**, like *Lessons 1, 2, 3* in the morning, and continue later in the day.
- ✔ Use this plan to **track your progress** and stay consistent.
- ✔ The key is to **practice regularly**, even if it's just a little each day! Even 15–20 minutes a day can make a big difference!
- ✔ Tip: You can print out this plan and mark the lessons you complete. Seeing your progress on paper can help you stay motivated!
